

3 Courses

**Introduction to Customs
and Foreign Trade Policy**

**Classification and valuation
- What you must know!**

**Free Trade Agreements and
Special Economic Zones**

May 12, 2024

Valeriia Shkurat

has successfully completed the online, non-credit Specialization

India Customs and Allied laws

In this specialization certificate, you learned the concepts under Indian Customs law that impact business transactions, processes and compliances. By focusing on the practical aspects, you learned about different scenarios of Customs Classification, Valuation and how to determine the correct customs duty for your product. You gained both academic insights and skills in the field of Customs and Foreign Trade Policy, usage of Free trade agreements and Special Economic Zone. You also gained practical knowledge of Customs laws and principles through case studies and transactional situations that are necessary to solve real-life business problems in the Customs domain.
